Something we have loved since starting Chloe's is meeting our wider community, with this in mind we'd like to pay forward this gift! Long Table Nights are a way for our community to share ideas, short talks and information over a two course vegetarian dinner (with Chloe's bread and a welcome drink). Food is served long-table style so this event is ideal to come alone or with a friend/ partner, it's a great opportunity to meet people and hear or exchange new ideas. There are two talks per evening, each lasting about 10 minutes, so plenty of time for fun and discussion. Tickets are available at: www.chloescharlbury.com/whatson
